KIND RED

A Collective Spirit

Community. Connection. Collaboration. In the spaces where we gather today we increasingly appreciate the significance of togetherness. Designed to evoke the feeling of personal connectivity, the Kindred carpet tile collection helps create spaces that encourage a feeling of identification, and brings warmth and comfort into any interior. Kindred links us to people and places.

This carpet is manufactured and sold for floor covering use only. Chair pads are recommended under office chairs with roller casters in order to protect appearance retention and to avoid premature wear. Walk off tiles are recommended at building entrances. As with all carpets, colours are subject to dye lot variations. Shading is the result of pile distortion and often is described as "watermarking". This does not constitute a manufacturing defect. To meet warranty requirements, approved adhesives and seam sealers must be used for glue-down application, consult shawcontract.com for more information. This carpet is an exclusive design and may not be duplicated in any manner. Use of this design in the creation of another carpet design is also strictly prohibited. Specifications are subject to nominal manufacturing variances. Material supply and/or manufacturing processes may necessitate specification changes without notice. Visit shawcontract.com for more information.
